January 2011

HAPPY NEW YEAR !

A new year is upon us as we say good by to 2010. It was a great year for our chapter and I wish all our members the best of luck and good health in the new year.

The Christmas party at Gainesville was attended by about sixty members and a few guests. Dieter brothers catered ham and chicken with all the sides. There was plenty for everyone. I want to thank Bill Morrow for the use of the hangar again.

If this issue of the news letter looks different its because Barry's computer is down and I'm trying my hand at it.

We will have a guest speaker at our January meeting. His name is Charlie Mohrle and he was a P-47 Thunderbolt pilot during WWII. Hope to see you all there.

Most of you remember the silver bowl and plate we award to a member or couple that contribute time and effort for the chapter. I was the reciepiant in 2010 and it was my pleasure to award it to Don & Shirley Swindle for thier continued work selling the chapter T-shirts and hats. Thanks Don and Shirley.

Remember we still need volunteers to host meetings in 2011. please let me know if you can help.

Terry
