JULY MEETING AT THE ROBBINS' HANGAR

Another hot day in Texas.

We had over fifty hearty members attend the July meeting in Linda and Ken Robbins' hangar on the 16th of July. With six aircraft flying in it was an official fly in. Thanks again to the Robbins for their hospitality.

As usual there was plenty of good food and hangar flying to take everyone's mind off the heat....well maybe not totally.

The next meeting will be our annual ice cream social on August 20th at Jim Austin's hangar at Northwest Regional airport.

I briefly discussed the use of the chapter tables and chairs at this meeting and was considering a vote on a change of policy but the members voted on this at a previous meeting and decided to only use them at meetings of the chapter. So, unless I get an outcry for a policy change we will continue to restrict their use. I know I sound like a preacher but I really could use some articles for the news letter. A picture of your airplane and a brief story would be great.

Fly safe,

Terry ☐

TEXAS CHAPTER ANTIQUE AIRPLANE ASSOCIATION

Minutes of the General Meeting held: July 16, 2011

The General Meeting was held at Ken and Linda Robbins hangar on New Fairview Airport and was called to order at 12:30 pm by President Terry Wallace. There were 46 members and 8 guests in attendance. The attendance list is in the Chapter Records.

Terry Wallace thanked Ken and Linda for hosting the meeting location and arranging for the nice breeze through their hangar.

AGENDA:

Announcements

Next meeting will be on August 20th at Jim and Betty Austin's hangar on Northwest Regional Airport. Resignation of Penny Richards as Historian was presented.

Treasurer's Report

Joetta Reetz presented the Treasurer's report till July 9th 2011 and it was approved.

Previous Meeting Minutes

Minutes from the General Meetings in May and June 2011 were approved.

Old Business

Terry Wallace reported that the Board had authorized Terry Doyle to obtain and install a spare tire, wheel and jacking equipment for the Chair and Table Trailer, as it did not have any currently.

Terry also reported that the Board voted to pay Board Members expenses while attending Board Meetings.

Terry discussed the need to restore some of the Chapter tables and he would be asking for a work party of members to help. This would be before the Fly-In and done at Northwest Regional, where the trailer is kept.

He also mentioned that the use of tables and chairs might need to be reviewed. It was decided to table that until a future meeting.

New Business

Darrell Irby mentioned the need for more volunteers to work the Registration Table at the Fly-In.

He also stated that there is a need for volunteers to sell T-Shirts and memorabilia at the Fly-In, but that we also needed a permanent person to handle those on a regular basis. Shirley Swindle who has done that and Name Tags for many years is no longer able to do it on a regular basis. This has been brought up to the membership before, but no-one has volunteered yet.

Door prizes were won by a few lucky folks.

A motion to adjourn was made and seconded. The meeting ended at 1:30pm.

Respectfully submitted

Richard Ramsey
