

# TEXAS AAA

TEXAS CHAPTER • ANTIQUE AIRPLANE ASSOCIATION • NEWSLETTER • JANUARY 2017

## PRESIDENT'S MESSAGE

We had 38 people at our December 17 meeting. Joel Meanor and his crew will begin work this month on our next Fall Festival of Flight Fly-in October 13 & 14, 2017. With over 225 aircraft expected to fly in, and 15 or more exhibitors, it will be a great event for all. Anyone wishing to help, please contact Joel as soon as possible. Those interested in exhibiting their products or services, please contact me.

It has been a great pleasure and honor to be your president for the last two years. I will always treasure the opportunity to lead the Texas Antique Airplane Association: a group of men and women that, like me, love everything about flying. I'm still amazed every time I get in a plane. Thanks for all your hard work and support. I am sure you will all support Terry and his staff in the future.

Hope to see you at our January meeting in the VINTAGE FLIGHT MUSEUM, MEACHUM AIRPORT on January 21 at noon. God bless America! Look for blue skies and keep 'em fly'n.

### Lee Truitt, Past President

## **ADS-B for the Antique Aircraft**

Joel Miner has arranged for a speaker at our next fly in January 21 at the Vintage Flight Museum, on Meachum Airport.

ADS-B for the Antique Aircraft by Bill Goebel

Mr. William "Bill" Goebel, owner of Vintage Aircraft Services, will give us a presentation on "ADS-B for the Antique Aircraft".

This presentation is designed to familiarize us with the principles of operation of existing transponder systems and ADS-B systems. In addition, impacts to existing aircraft avionics are discussed as well as helping an owner/operator determine how best to comply with the 2020 mandate while also meeting their specific equipment requirements.

Mr. Bill Goebel has over 35 years of experience in aviation to include light planes, helicopters, warbirds, antiques, and production military aircraft. He has been involved in aircraft manufacturing, engineering, and certification. In addition, he is actively engaged in aircraft restoration and rebuilding earning numerous awards through the years. He currently is a licensed pilot, A&P mechanic with IA privileges, as well as an aircraft owner.

William "Bill" Goebel
