Presidents Corner

Hello there, if you attended our February meeting, then you know we had a great time. Our entire team pulled together again to make it enjoyable. Thank you all for pitching in!

A big shout-out goes to our hosts, Mike and Barb Nebrig. Wow, they were there early on Saturday morning helping as we needed, cooking, greeting people, and pitching in with a smile. After being around Mike and Barb, it is no surprise they have been successful since starting their business in 1991. Mike spoke to our entire group, giving a brief overview of their organization and services; including buying, selling, and marketing aircraft. All with a laser focus on their client's best interest and satisfaction. Oh, and a thank you to their Director of Maintenance, Mr. Ed Hodges for squaring up the hangar for us. The Nebrig's are longtime friends of our Vice President, Jack Fulford. Jack was the real brains and brawn behind organizing this event and he deserves a huge thank you! Thank you, Jack!

Personally, I am very proud of this month's speaker, Mr. David Speyers. If you were there, you know he gave a great presentation. David had our attention from beginning to end, showing a nice slide show, and passing around a couple show & tell items while he told his interesting story about being a missionary, pilot, and A&P mechanic in the country of Peru. And, there were lots of questions for David from our members! So many, I started getting worried about time! A few people asked about how to support David. It's easy, go directly to South America Mission at www.southamericamission.org and look for Peru, and David and Lisa Speyers. You can also email David at davidspeyers@gmail.com.

Thank you to Roger Tollefson for calling me and coordinating the post meeting visit over to Gary Grubb's hangar. And, thanks to Mr. Grubbs for opening that wonderfully aircraft-filled hangar for us! So, you know, Gary's 1943 Howard DGA is "June" in our 2018 desktop calendar!

Okay our March 17th meeting will be held at Mr. Bobby Jones's hangar, at Tailwheel Acres Airport in Valley View, TX! (1XA6). We are looking forward to our "March speaker" Mr. Steve Kiester. Steve is a CFI / CFII and FAA Team Representative and will give us a presentation on creating and sticking to Personal Minimums! Don't miss our March meeting and hearing Steve.

Hope for great weather and bring a friend! Thanks to all. See you in March!

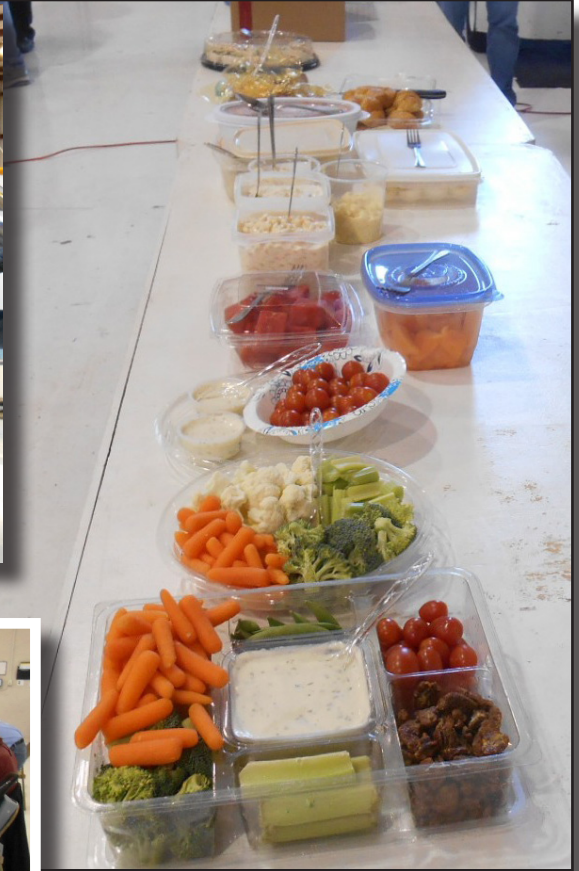

Thanks to all and see you soon!

Keep the antiques flying!

Casa Grande Fly-in 2018

Four of our members attended the 2018 Casa Grande fly-in in Arizona last week end. Terry Wallace, Mike Danials, Jim Dougherty, and Dennis Price. We had a great time and saw many nice aircraft. Weather was perfect and the food was good.

Our Chapter choice award went to a beautiful PT- 22 Stearman flown by Carol e Cooke, who did her first solo in it on her way to her private pilot license.

There was a wide verity of great airplanes to look at. Here are a few of them.

Local kids Mia and Brother Oden enjoying the fly-in.

Happy Birthday Ona B!
